Experience

Apr 2023 – Oct 2023 Bangalore

UX/UX Designer Intern
Cendrol Technologies

Utilized agile methodologies and collaborated closely with cross functional teams, including developers and stakeholders, to gather feedback, iterate on designs, and ensure a seamless user experience. Created and developed a comprehensive brand design system for the company.

Nov 2022 – Jan 2023 Bangalore

UX/UI designer Intern
Tripbibo

Assist users in planning, organizing, and experiencing their travels more efficiently. Provides features such as flight and hotel bookings, local recommendations, navigation assistance, and real-time updates on weather and transportation. I successfully redesigned the UI resulting in a 20% increase in user engagement.

Latest projects

Powerful Design System

Figma Design System targeting a wide variety of use cases.

CRM

"With our dynamic platform. Elevate efficiency and drive growth seamlessly."
